PROPERTY TRANSACTIONS

Introduction

We offer a comprehensive range of property legal services for developers, investors, owners, and landlords.

We provide advice and representation across a range of areas including:

- Contracts;
- Leases;
- Conveyancing;
- Land Acquisitions;
- Mortgages;
- Rural and Farm Transactions;
- Water Licences;
- Reviewing the terms of a contract and explaining your rights and obligations under that contract before you commit yourself;
- Suggesting amendments to proposed contracts in order to protect your interests;
- Negotiating on your behalf with solicitors for other parties so as to alter or remove terms identified as disadvantageous to your interests;
- Providing advice on what steps can be taken if someone else breaches a term of a contract;
- Assist you to prepare a response to a claim by someone else that you have breached a contract.

Call us today for a free first interview to discuss your requirements.

We are open late Thursday nights to ensure that we are available at a time that suits you.
